

Lessons Learned

Sasha Hydrie

Improvements:

Sasha List:

- Swerve
- Practice field
- More schmoozing
- More intense strategy or less democracy
- Scouting data use
- Scouting data metric to look good
- Communicate with undesirable alliance mates
- Business for all
- Not repeating 2017
- Sink or swim
- Hunt down mentors
- FTC <3

Scouting:

- Limitations
- Skewed data processing
- Allow scouts to be more involved with the strategy
- Pit scout abilities

Prototyping:

- Less reliance on CAD
- More robust

Training:

- FTC team
- CAD for all build
- Support learning at all times

Design and Strategy:

- Democracy, educate everyone
- Extra pre-season strategy meeting, show what worked after s

Diversity:

- Recruit in classes, not just AP
- Dedictated diversity team
- Lower intimidation

Team Culture:

- Supportive training culture
- Ownership of tasks

Team Organization:

- Agile teams
- Consistent task management

Tasks

- Captains function as managers
- Dedicated space to list tasks

Outreach and Fundraising:

- Build on success
- Make accessible for everyone
