Boosters

- Budget traditionally in low twenty thousands
- Currently three to four thousand remaining
- **TODO:** Set up business check-in, between students and boosters

Structure

- **TODO:** Organize constituents: Students, recruits, parents, sponsors
- **TODO:** CRM data management and action planning
- **TODO:** Calendar, one for students and one for parents.
- Make sure to update action items
- Try to engage more people outside of captains for projects, ex-recruiting
- Talk about summer plans for each team

Budget

- Weekly business meeting will be happening
- Currently three to four thousand remaining

Recruiting

- Diversify recruiting more
- Bring back classroom visits
- Use list from recruiting nights
- Figure out mentorship for FTC
- Social media, maybe Instagram. Requires additional social capital.

Outreach

- Summer FTC happening at MIRA, anyone can be involved. Every Saturday morning over the summer.
- Best current method for getting mentors

Sasha Notes

- Start of season recruiting survey, need data
